the lord jesus christ came to found a great kingdom of many spiritual nations the race of the elect the community of king priests and the apostles were the builders in a sense every ministry and every community has a founder and the rest are builders of that community the lord has called our community to emerge as a great spiritual nation an organ possessed by the holy spirit for the accomplishment of god s end time purposes the general concept and biblical background of a spiritual nation are introduced in building a spiritual nation the foundation by the same author building a spiritual nation spiritual statesmanship takes us a step further from just the burden of organization for effectiveness to confront the need to become spiritual statesmen and nation builders it is a simple study with life changing lessons from the leadership genius of king david he forged a spiritual nation for god with a seven fold might and led it with skillful hands in this timely book you will learn the principles of organic leadership in the building of a god fearing community that brings fusion and provides regulatory coordination through teamwork team leadership and teams of leaders this principle of organic leadership is directly opposed to the toxic and cancerous paradigms fueled by individualism selfishness and self seeking which stem from the uncrucified self life the enemy within this book is must reading for all serious active or aspiring

spiritual leader

how early american quakers transcended the idea of the nation state during the turbulent age of revolution provocative important highly recommended choice early american quakers have long been perceived as retiring separatists but in holy nation sarah crabtree transforms our historical understanding of the sect by drawing on the sermons diaries and correspondence of quakers themselves situating quakerism within the larger intellectual and religious undercurrents of the atlantic world crabtree shows how quakers forged a paradoxical sense of their place in the world as militant warriors fighting for peace she argues that during the turbulent age of revolution and reaction the religious society of friends forged a holy nation a transnational community of like minded believers committed first and foremost to divine law and to one another declaring themselves citizens of their own nation served to underscore the decidedly unholy nature of the nation state worldly governments and profane laws as a result campaigns of persecution against the friends escalated as those in power moved to declare quakers aliens and traitors to their home countries holy nation convincingly shows that ideals and actions were inseparable for the society of friends yielding an account of quakerism that is simultaneously a history of the faith and its adherents and a history of its confrontations with the wider world ultimately crabtree says the conflicts between obligations of church and state that quakers faced can illuminate similar contemporary struggles a significant and highly important contribution to the scholarship on the intersection of religion and nationalism during these critical decades carefully researched and elegantly written kirsten fischer university of minnesota

want to know about the future about two decades in the making the mission of this book gods new plan for the holy nation and the past is to prove that king david is the past the present the future and that he knows the future gods new plan proves that king david is king of kings and lord of lords this book also proves that time travel is possible but not in the way people might think gods new plan is an entirely new government built from scratch with the help of god this book proves that several laws of the universe are true and this book is part of the apocalypse gods new plan features over 400 pages and over 50 pages of laws this book contains the three parts of king davids mission this book gives readers spiritual enlightenment and provides the mission of the beast and the false profit and what they will do gods new plan proves that divine intervention and spiritual hearing seeing are real and not a figment of the imagination this book provides king davids fantastic predictions some of which may have already come true gods new plan also explains some of mankinds most common questions such as the origin of man and the meaning of life the past features over 25 stories and contains many original characters this book utilizes humor action and adventure to make certain points regarding good verses evil lucky and his friends are unique problem solvers and succeed with great solutions when problems arise the past would also make a great movie or a few movies this classic literary masterpiece combines love faith and teamwork into a collection of stories children of all ages may enjoy please tell your friends and neighbors
